Ms. Jones returned from the Philippines on March 23, 2007, and reported to the U.S. Probation Office as instructed. She asked to resume her plans to relocate to California as previously approved. On March 26, 2007, she submitted a travel itinerary which reveals that she will depart Guam for California on April 15, 2007, via Narita, Japan. As it is policy of the U.S. District Court that all foreign travel by offenders must be approved by the Court, Ms. Jones requests Court authorization.
